

This letter contains all the information for the Cakesmash shoot which I will come to your house to do.

- We'll have contact first, usually by phone. We agree on a date and you can fill in the Booking Form.
- A deposit of 100 euros applies for the cakesmash shoot, which must be paid in advance with a payment request. After that, the reservation is complete.
- We agree the time in advance because of naps. Experience shows that after a morning sleep gives the highest chance of a happy baby and beautiful photos.
- Is your child sick? Please let me know as soon as you can. The cake can be frozen and rescheduling is possible. That's always better than a sick child!
- In total the shoot lasts +/- 1 to 1.5 hours.
- It is important that both parents father are present and remain during the shoot. If this doesn't work, one parent and a family member or acquaintance is also fine. As long as that person is an acquaintance to your baby.
- To have a quiet and safe environment for the child and the shoot it is important that there are no others (children, family, pets, etc.) present around the shoot. So don't schedule any appointments when I come!
- I ignore the baby on arrival so it can get used to me.
- During the cakesmash shoot I will bring the pre-agreed styling, plus the cake.
- I would prefer a room with Northern Lights where I can set up my set. Before the shoot I will decide where I will work. We may need to put some things aside to shove.
- Do not use rubber hairbands or clips on the morning of the shoot.
- Provide a clean towel and/or bath cape for after the bath.
- Usually I ask one of the parents to sit behind me to pull the attention off the baby.
- Let's start with the cake. Then we end the shoot with a nice bath so that your baby gets clean again.
- It is strictly forbidden to take pictures yourself during the shoot.
- After the cakesmash shoot I will prepare a gallery with 20 edited photos within 2 weeks. As soon as they are ready, I will send an app to schedule the Order appointment.
- During the Order Appointment you can choose which reminder suits you.
- Payment must be made through a payment request during the Order appointment.
- Thanks for your confidence. I'm looking forward to the shoot! :) I'm going to do every thing for you to give unforgettable photos.
- **A good review on Google is much appreciated and helps my business grow! :)**
