

This letter contains all the information for the Cakesmash shoot in the studio.

- We have contact first, usually by phone or mail. We agree on a date and you fill in the booking form.
- For the cakesmash shoot there is a deposit of 100 euro, which must be paid in advance by means of a payment request. After that the reservation is complete.
- The time is agreed in advance because of naps. Experience shows that after a morning nap gives the best chance for a happy child and beautiful pictures.
- Is your child sick? Please let me know as soon as possible. Rescheduling is always possible and that is better than a sick child!

The day of the shoot

- The address of the studio is Ruysdaelbaan 7 5642 JJ Eindhoven.
- If you drive through the gate you can park for free in the area in front of the building.
- Then you can call me, so I can open the door for you.
- In total the shoot takes +/- 1 to 1.5 hours.
- It is important that the father (or in consultation: other assistant) remains present during the entire shoot. This is for assistance and safety during the shoot. The assistant must in any case be someone known and trusted.
- Children who are not going to be on the photos are not allowed in the studio during the newborn shoot.

Peace and quiet

- To have a quiet and safe environment for the child and the shoot, it is very important that there is peace and quiet during the shoot. Do not schedule any other appointments on the day of the shoot.
- I will prepare the styling in the color you have indicated on the booking form.

Delivery of the photos

- After the cakesmash shoot, within 2 weeks I will prepare a gallery of 20 edited photos for it. Once this is ready I will send you an app to schedule the Order Appointment.

Thank you for your trust. I will do everything I can to make unforgettable photos!
