

This letter contains all the information for the Babyshoot in the studio.

- We have contact first, usually by email. Here we discuss how old your child at that time and what size he or she is wearing.
- Then we agree on a date for the shoot.
- The time we agree in advance because of sleep, the best time is after a (morning) nap.
- In total, the shoot takes about 1 to 1.5 hours.
- In that time we try to do 4 changes.
- I prepare the styling in the colors you have indicated on the booking form sheet.
- Don't put in hair elastic bands
- To have a calm and safe environment for the baby and the shoot, it is very important that there is peace and quiet during the shoot.
- Do not schedule any other appointments on the day of the shoot.
- It is important that the father (or in consultation: other assistant) remains present during the whole shoot. This is for assistance and for safety during the shoot.
- Usually I ask one of you to take a seat behind me to draw the attention of the child.
- You can help me by bringing one or two of the child's favorite toys.
- I ignore the child upon entry so that they can get used to it.

The day of the shoot

- The address of the studio is Ruysdaelbaan 7 5642 JJ Eindhoven. If you navigate this you will end up at the front door, but you can't go through here by car.
- Drive through the gate (looks a bit like we are under construction). Here you can parking in front of our building, but on the street is also free parking. If you park on the lot the front door is on your right. On the next page is a picture of the gate:

- Walk through to the front door. My bell features the logo above.

Delivery of the photos

- After the shoot, I provide a gallery with 20 edited photos. Depending on the chosen package you can choose which photos you want.
- Within 2 weeks after the appointment of the shoot, the gallery with your photos will be ready. I will send you an app to schedule an order appointment in the studio.
- During the order appointment you choose which memory best suits you.
- Any upgrades must be paid by Pin or cash. Please note that there is no change available in the studio.

Thank you for your trust. I will do everything I can to make unforgettable photos!
